Policies & Procedures

a) Policy for Penny Stock

A stock that trades at a relatively low price and market capitalization. These types of stocks are generally considered to be highly speculative and high risk because of their lack of liquidity, large bid-ask spreads, small capitalization and limited following and disclosure. Depend on the market condition and RMS policy of the company RMS reserve the right to refuse to provide the limit in Penny stocks and losses if any on account of such refusal shall be borne by client only.

b) Setting up client's exposure limits

The stockbroker may from time to time impose and vary limits on the orders that the client can place through the stockbroker's trading system (including exposure limits, turnover limit, limit as to the number, value and/or kind of securities in respect of which orders can be placed etc.). The client is aware and agrees that the stock broker may need to vary or reduce the limits or impose new limits urgently on the basis of the stock broker's risk perception and other factors considered relevant by the stock broker including but not limited to limits on account of exchange/SEBI directions/limits (such as broker level/market level limits in security specific/volume specific exposures etc.), and the stock broker may be unable to inform the client of such variation, reduction or imposition in advance. The client agrees that the stock broker shall not be responsible for such variation, reduction or imposition or the client's inability to route any order through the stock broker's trading system on account of any such variation, reduction or imposition of limits. The client further agrees that the stock broker may at any time, at its sole discretion and without prior notice, prohibit or restrict the client's ability to place orders or trade in securities through the stock broker, or it may subject any order placed by the client to a review before its entry into the trading systems any may refuse to execute/allow execution of orders due to but not limited to the reason of lack of margin/securities or the order being outside the limits set by stock broker/exchange/SEBI and any other reasons which the stock broker may deem appropriate in the circumstances. The client agrees that the losses, if any on account of such refusal or due to delay caused by such review, shall be borne exclusively by the client alone.

We have margin-based RMS system. Total deposits of the clients are uploaded in the system and client may take exposure on the basis of margin applicable for respective security as per VAR based margining system of the stock exchange and/or margin defined by RMS based on their risk perception. Client may take benefit of credit for sale i.e., benefit of share held as margin by selling the same by selecting Delivery option through order entry window on the trading platform, the value of share sold will be added with the value of deposit and on the basis of that client may take fresh exposure.

In case of exposure taken on the basis of shares margin the payment is required to be made before the exchange pay in date otherwise it will be liable to square off after the pay in time or any time due to shortage of margin.

c) Applicable brokerage rate: -

Brokerage will be charged within the limits prescribed by SEBI/Exchange.

d) Imposition of penalty / delayed payment charges

Clients will be liable to pay late pay in/delayed payment charges for not making payment of their payin/margin obligation on time as per the exchange requirement/schedule at the rate of upto 20% per annum. Similarly, the stock broker will also be liable to pay delayed payment charges to the client for not making payment of their obligation on time, as per the exchange requirement/schedule at the rate of upto 1.5% p.m., except in the cases covered by the "Running Account Authorisation" given by the client to the stock broker.

The client agrees that the stock broker may impose fines/ penalties for any orders / trades /deals / actions of the client which are contrary to this agreement / rules / regulations / bye laws of the exchange or any other law for the time being in force, at such rates and in such form as it may deem fit. Further where the stock broker has to pay any fine or bear any punishment from any authority in connection with / as a consequence of / in relation to any of the orders / trades /deals / actions of the client, the same shall be borne by the client.

e) The right to sell clients securities or close clients' positions, without giving notice to the client, on account of non-payment of client's dues

Without prejudice to the stock brokers other right (Including the right to refer the matter to arbitration), the stock broker shall be entitled to liquidate/close out all or any of the clients position without giving notice to the client for non-payment of margins or other amounts including the pay in obligation, outstanding debts etc and adjust the proceeds of such liquidation/close out, if any, against the clients liabilities/obligations.

The client shall ensure timely availability of funds/securities in form and manner at designated time and in designated bank and depository account(s), for meeting his/her/its pay in obligation of funds and securities. Any and all losses and financial charges on account of such liquidations/closing out shall be charged to & born by the client. In cases of securities lying in margin account/client beneficiary account and having corporate actions like Bonus, Stock split, Right issue etc, for margin or other purpose the benefit of shares due to receive under Bonus, Stock split, Right issue etc will be given when the shares is actually received in the stock broker designated demat account.

In case the payment of the margin / security is made by the client through a bank instrument, the stock broker shall be at liberty to give the benefit / credit for the same only on the realization of the funds from the said bank instrument etc, at the absolute discretion of the stock broker. Where the margin / security is made available by way of securities or any other property, the stock broker is empowered to decline its acceptance as margin / security &/or to accept it at such reduced value as the stock broker may deem fit by applying haircuts or by valuing it by marking it to market or by any other method as the stock broker may deem fit in its absolute discretion.

The stock broker has the right but not the obligation, to cancel all pending orders and to sell/close/liquidate all open positions/securities/shares at the pre-defined square off time or when Mark to Market (M-T-M) percentage reaches or crosses stipulated margin percentage, whichever is earlier. The stock broker will have sole discretion to decide referred stipulated margin percentage depending upon the market condition. In the event of such square off, the client agrees to bear all the losses based on actual executed prices, the client shall also be solely liable for all and any penalties and charges levied by the exchange(s).

f) Shortages in obligations arising out of internal netting of trades

Stock broker shall not be obliged to deliver any securities or pay any money to the client unless and until the same has been received by the stock broker from the exchange, the clearing corporation / clearing house or other company or entity liable to make the payment and the client has fulfilled his/her/its obligations first.

The policy and procedure for settlement of shortages in obligations arising out of internal netting of trades is as under:

a) The Short delivering client is debited by an amount equivalent to 10% above of closing rate of day prior to Payin/Pay-out Day and credited to the buyer.

g) Conditions under which a client may not be allowed to take further position or the broker may close the existing position of a client

We have margin-based RMS system. Client may take exposure upto the amount of margin available with us. Client may not be allowed to take position in case of non-availability/shortage of margin as per our RMS policy of the company. The existing position of the client is also liable to square off/close out without giving notice due to shortage of margin/ non making of payment for their pay in obligation/outstanding debts.

h) Temporarily suspending or closing a client's account at the client's request

On the request of the client in writing, the client account can be suspended temporarily and same can be activated on the written request of the client only. During the period client account is suspended, the market transaction in the client account will be prohibited. However, client shares/ledger balance settlement can take place. On the request of the client in writing, the client account can be closed provided the client account is settled. If the client wants to reopen the account in that case client has to again complete the KYC requirement.

i) Deregistering a client: -
